Name of Game

\$19.99

This area will include a description of the game. It will be brief, explain the objective, and how long a round usually takes. Most descriptions will be limited to a paragraph, five or six sentences at most. This will also include information from the vendor such as: intended age range, number of players, items included in the box.

CATEGORY: STRATEGY

Current Rating

4.5

Featured Review

This section features the review of the game from a notable source. Perhaps it is an employee of Logic Board Games or it is a review from a magazine editor. It stays pinned below the game's description and images.
