\$23.99

Blank Slate is the clever party game where you try to predict what others are thinking. Everyone secretly writes a word that completes a phrase on the cue card, but choose your word carefully; you score the most points for matching words with only one other person. In this fun, easy to learn board game you get to think outside the box, but not too far or you won't match words with anyone. Player with the most points wins! Who knows - if you get good enough at it, soon you might be finishing other's \_\_\_\_\_.

Includes: Dry-Erase Score Board, 8 Colorful Dry-Erase Slates, 250 Double-Sided Word Cue Cards, 8 Dry-Erase Markers with Erasers, Rules. Gender: Unisex.

This is the type of game you play with a group. It's great for laugh and casual gaming. It's not a game for those who are invested in building skills or applying critical thinking. It's a party game for a reason, and if you're looking to entertain a group this game will do just that.

★★★★★

Great game! A lot of fun. My group of 6 were able to learn quickly and played for over three hours. A lot of laughs, very easy to get involved. I would strongly recommend for a casual game night or to play with friends who aren't usually gamers.

★★★★★

I bought this game on a rainy day when my family was on vacation. Everyone loved it! It was definitely worth the investment. I like how easy the rules were and how quickly I was able to understand the game. Everything I needed was in the box, so it was easy to just pick up and play. Good for a mid-sized or larger group. Would recommend for families.

★★★★★

Fun game, but not super unique. I've played a few like it before. Still, had a good time with my group. This isn't the type of game you need to invest a lot of attention into.
